The initial Case Management Conference in this matter is scheduled for May 25, 2010. The court by order filed March 31, 2010 referred this case to the Federal Pro Bono Project for appointment of counsel for plaintiff, a pro se prisoner. The court thereafter appointed plaintiff's present counsel as counsel of record for plaintiff. The court also deferred ruling on plaintiff's motion to amend the complaint. Subsequent to plaintiff's counsel being appointed, counsel for the parties have conferred with respect to the amended complaint, and plaintiff's counsel are in the

1 process of preparing the amended complaint. The parties have also met and conferred with respect
2 to the potential for a stipulation allowing the filing of the amended complaint without the need for a
3 motion. Once defendants have the opportunity to review the amended complaint, a decision can be
4 made with respect to such a stipulation.

5 The parties hereby stipulate that the amended complaint, or a motion for leave to file an
6 amended complaint if necessary, will be filed with the court on or before June 18, 2010. Once the
7 parameters of the amended complaint are determined, the parties will be in a significantly better
8 position to determine a timeline and related cutoff dates for purposes of the Case Management
9 Conference. Accordingly, the parties stipulate and request that the initial Case Management
10 Conference be continued to June 29, 2010 at 2:00 p.m.
